Re: Reduction of Surety Bonds, Patti Ann, M/037/003, and Far West, M/037/019, San Juan County, Utah

Dear Ms. Rehmann:

Thank you for submitting the riders reducing the amount of surety for the Patti Ann and Far West mine sites. Enclosed are the signed and fully executed copies of the surety riders for your files. We have retained copies for our files. If revegetation at the sites meets or exceeds the standards of the Minerals rules after two more growing seasons, we can release the remainder of the surety at that time.

Thank you for your assistance in this permitting action. If you have any questions regarding this letter, please contact me.

Sincerely,

A handwritten signature in cursive script, reading 'Anthony A. Gallegos'.
